

## Universal Pillows #GPIL1010 - 10" x 10", 40 pillows/package

Absorb high-volume leaks and spills of oils, coolants, solvents or water.

- Easy to place in hard-to-reach areas — use under machines and leaky hydraulic hoses or wedge in corners cramped for space
- Pulls liquids from the floor like a sock, catches leaks like a pan, and absorbs spills like a pad
- Large surface area speeds the absorption process and shortens overall response time
- Note: Ideal for use with battery acid but not compatible with higher concentrations of sulfuric acid
